My name is wan ting, chung, studying in National Taiwan Normal University and majoring in Apply Chinese Language and Literature. As soon as I entering this department, I knew that what I desire to be is a Chinese teacher because I indeed have a lot of fun when teaching other Chinese. In my two years of college, I loved to participate in any activities of school, student association and club,

like winter camp for kids in my hometown, being a coordinator of the show of our department, and other things I've never done when I was just a high school student. Although feeling frustrated sometimes, I always look on the bright side when encountering difficulties, which makes me overcome every obstacle. Now I'm glad and feel lucky to have the chance to be an intern. I'll try my best to do this job.

我叫鍾宛廷，目前就讀台師大學應華系二年級，在新竹鄉下長大的我，是個道地的客家人。國中參加校內的合唱團，不僅延續了歷屆連續十一年新竹市第一名，更得到了台灣北區的冠軍，這讓我在社團參與方面有了莫名的熱忱。於是在大學時參加了新竹苗栗地區同鄉校友會。我們這群來自新竹苗栗地區的孩子因擁有了相同的地緣關係而有了共同的話題，進而成為十分要好的朋友。聯誼性社團的主要活動就在於每年寒假的返鄉服務隊，這真的讓我成長很多。雖然在籌備期不斷萌生想要放棄的念頭，但同儕的相互鼓勵及自我的責任感使我咬牙忍過，甚至帶營隊帶出了興趣。此外，應華系也給了我相當程度的改變，讓我知道華語教學這塊領域是如此有趣且值得開發的。在教授他人中文時，內心那份無可比擬的快樂與成就感讓我想繼續投入這塊領域之中。上了大學後，應華系與竹苗會就成了我的一切。未來當然希望能繼續朝華語教學的領域前進，畢竟這樣的快樂我在從事其他工作時是得不到的。
